

Laurel's Lounge

The Buttercup

When the weather gets cooler, many people often look for ways to warm up from the inside out. Take the chill off with a hot, refreshing Hot Chocolate with Buttershots.

A hot drink is a wonderful way to warm up on a cold day. However, you don't need cold temperatures to enjoy a hot drink!

- 1 Packet of ITG Hot Chocolate Marshmallow Drink
- 6 oz Water
- 1 ½ oz Buttershots Liqueur
- Garnish with fat free Whipped Cream

Preparation:

1. Make ITG Hot Chocolate Marshmallow Drink with 6-8 oz of water in your ITG blender bottle, shake well.
2. Heat in microwave for one minute or on stove top until hot (Do not boil)
3. Pour in 1 ½ oz of Buttershots Liqueur
4. Add Whipped Cream and sprinkle with Nutmeg or Cinnamon if desired. Enjoy...

Hint: You can substitute any of the ITG Chocolate Shake/Puddings:
Chocolate and Dark Chocolate
